December 2013 Edition

November Meeting Notes...

The November 13th meeting of the Monroe County R/C Club was called to order at 7:03:02 in Dr. Matt's office with twenty-four members present (according to Tim #2). It was cold & dark outside.

Bill Stuckey was voted back into the club. Bill was a past member & past club president many years ago. Welcome back Bill!

VP / Treasurer Rick Hill forgot to bring the treasurer's report to the meeting but that's OK since he got the reservations made at KRC for the Christmas dinner / meeting.

It was reported that Jerry Keener is doing better & has even been seen at the field.

Our swap meet ad didn't make it into the November edition of Model Aviation but should be in the December issue.

Club president Mark Sexton is still working on details for a mall show at the College Mall in Bloomington. The date chosen is March 22 & it should run from 10:00 AM to 9:00 P.M.

Mark also announced that after careful calculation it has been determined that a dues increase for 2014 will not be necessary!

There were no new nominations for club officer positions so there was no actual election. After careful consideration, your President Mark Sexton, VP / Treasurer Rick Hill, & Secretary Dennis Friesel all agreed to hold the same offices again for 2014! Thanks Mark, Rick, & Dennis! We appreciate your loyal service!

Stick man was absent from the meeting but we forged ahead with "Stick's Safety Corner" and discussed some safety tips for electric powered aircraft & LiPo batteries.

The new runway mat has suffered a little damage already. Nobody is sure if an animal chewed through it or if it was a prop strike but the damage is minimal & Dennis said he would patch the spot as weather permits. Thanks Dennis!

In the sad saga of the coveted "Dork Award", current holder Dennis Feiesel had no good candidates to pass it onto until Bruce Bundy confessed to hitting a tree with his little, foam Champ & stripping all the teeth off the main drive gear for the prop. It was decided that Bruce's deed was close enough to dorkable to earn him the award for a month. Congratulations Bruce!

The meeting was closed at 7:37:43. Could that be a record?

Interesting Bits...

Dave Hotz is looking for plans to a sail plane called the Paragon. If you have some or know of anybody that does, email Dave at dfh@bluemarble.net.

Kim Fishel is donating a wire wine rack that's shaped like an airplane to be raffled off at the Christmas party / meeting. Here's a picture of what you could win. A bottle of red & a bottle of white are included. That sounds like on old Billy Joel song...

The shortest Thursday of 2013 is December 19th. The Nebo Memorial Pilots Association will be heading to Bynum's for dinner that evening. If you plan to attend, let me know, so I can give them a head count.

Event Calendar

December 11 Club Christmas Dinner/Meeting At KRC

December 19 Nebo Pilots At Bynums

February 23, 2014 Annual Club Swap Meet

March 22 Mall Show 10 to 9
