## August 2019 Edition

### July Meeting Notes...

It was hot, humid, & in the 90s when the July 10th meeting of the Monroe County R/C Club was called to order at 7:01:28 by president Mark Sexton at the club field.

Secretary Jeff Snodgrass was not at the meeting. He was in Community North Hospital in Indianapolis having tests run. We wish him well!

Tim Mellott counted sixteen members present for the meeting.

Mark reported that the old port-a-pot has been picked up & is no longer at the field causing confusion as to which one to use.

Mark also reported that the tax returns for the club are finally done & his accountant has sent them in.

Tim Sparks reported that the pylon races scheduled at the club field were rained out & the next racing event would be at the AMA site in Muncie during the nationals.

Joe Jackson asked about a possible stock investment of some of the club funds since the interest paid on our CDs is so low. That

option will be investigated & reported on at the August 14th club meeting. Our 501-C-4 not-for-profit status may have restrictions on where we can put our money.

Mark announced that he would put on a Big Bird Fly-In at the club field on September 14th that would include lunch.

Joe Jackson volunteered to laminate the broken pole at the South East corner of the club shelter. Dennis Friesel backed into it on Monday, July 8th. That pretty much makes Dennis a shoe-in for the coveted "Dork Award" this month & gets secretary Jeff Snodgrass (the current holder) off the hook. It will also keep Clint & Sparky from having to explain what happened to that

little, electric pylon racer that came back from it's maiden flight in a trash bag.

Mark announced several club sponsor renewals & mentioned that Tire & Wheel has been sold. Roman said he knew the new owner & would check with him about continuing their sponsorship.

Tim Mellott went over the program for the upcoming 4-Stroke Event at the club field on July 13th.

Club members were reminded of several event dates approaching, including the annual club picnic on August 4th & the "Nothin But Cubs" (and floaty things) fly-in on August 10th.

Mark passed out several certificates of appreciation to several members that were unable to attend the Christmas dinner to receive them.

Steve Dorsett was absent so there was no "Stick's Safety Corner".

As was mentioned earlier, the "Dork Award" went to Dennis Friesel for backing into the shelter.

The meeting was closed at 7:33:08...

### Interesting Bits...

We had a great time at Airventure (Oshkosh) again this year. Thanks to president Mark Sexton for making the arrangements & hauling us up there & back again! The weather was good with a little sprinkle on Friday but blue skies & sun all day on Saturday. We ate very well (as usual) &

walked a little too much but look forward to doing it again. Rick will have some full scale aircraft pictures up on the webpage for your viewing pleasure soon. Our usual tour of the Miller Brewery on the way up was a little disappointing. The opening video was broken & the hologram of Fredrick Miller didn't appear in the cave as it has the past fifteen years or so. The tour was always free in years past but they now charge ten bucks. You can't complain if it's free. Thanks again Mark for putting up with us!

Secretary Jeff Snodgrass is out of the hospital & doing much better. He made it out to Nebo Field on Thursday evening August 1st. & looked good.

## Event Calendar

- August 10 "Nothin But Cubs" Fly-In (Club Field)
- August 14 Monthly Club Meeting (Club Field)
- September 11 Monthly Club Meeting (Club Field)
