January 2020 Edition Happy New Year!

December Meeting Notes...

We had a good time & a great meal at the Hoosier Bar & Grill in Ellettsville during the annual Christmas party / meeting of the Monroe County R/C Club on December 11th.

The staff at the Hoosier kept us lubricated until the food was ready & gave everybody a chance to visit.

After everyone had been through the buffet line at least once President Mark Sexton & VP Rick Hill held a short business meeting & passed out certificates of appreciation to several club members for outstanding service to the club. They also passed out several "Dork Award" certificates prepared by Tim Porter & Tim Sparks.

After the meeting Tim Mellott played a slide show set to music using pictures he rounded up during 2019.

It was a fun evening of food, festivities, & entertainment. Quite a bargain for twenty bucks!

Interesting Bits...

We were sad to learn that long time club member Larry "Butch" Thomas passed away on December 22nd. Our condolences to Butch's family. We will miss him.

We will be back in the River Valley Christian Church for indoor flying on Monday evening January 6th & back in the Paragon Elementary School gym on Friday evening January 10th. Several are itching to get back to flying after the holiday break but at least it was warm enough to fly outdoors with above normal temperatures for a few days.

I found the picture on page 2 of the full scale Super Cub caught in the power lines on the internet. As you all know, everything on the internet is always true but if this is real, the pilot surely got the full scale dork award.

I added some dates to the event calendar from the Indy club for those who may wish to travel North to participate. It's time to start planning for 2020. It's also time to renew your club membership, check your AMA

expiration date, & your FAA registration renewal date. You might as well check your driver's license, EAA, NRA, AAA, AARP, & your Mickey Mouse Club card while you're at it.

Mark has some certificates to pass out at the January 8th club meeting for those that didn't make it to the Christmas dinner or got lost in the shuffle. See you at Dr. Matt's Clariti office at 7:00 P.M.

I scanned Jasper's Christmas card because I liked the picture. You all might enjoy it too. It reminds me of Mark stringing Christmas lights on his motorcycle in his garage. Thanks Jasper...
