November 2022 Edition

October Meeting Notes:

It was warm, windy, & rainy when the October 12th meeting of the Monroe County R/C Club was called to order in Dr. Matt Fornefeld's office at 7:03:42 with eighteen club members present as counted by Randy Byers.

Josh Wagner, who joined at the Big Bird Fly-In, was "officially" voted into the club. Welcome Josh!

VP / treasurer Rick Hill reported that he had received another fake bill in the US mail that was very real looking. Be careful what you pay!

President Mark Sexton reported that the Big Bird Fly-In was a success. Both the weather & the attendance was good. Those that participated had a good time & enjoyed a hot lunch. Mark & wife Tina donated the food which helped bring almost \$200.00 into the ailing club treasury. Thanks Mark & Tina and to everybody who assisted & those that came out to fly!

Tim 1 Sparks requested some help from the membership for the pylon races coming up on October 15th. All volunteers welcome & no experience required.

We went over the plans for the club Christmas dinner / meeting at the fairgrounds on December 14th. If you want to partake of an alcoholic beverage during the dinner, contact Sparky to work out the details since he holds the permit. You can't just carry something into the building legally that contains alcohol. There will also be a donation box at the event to help the club pay for the building & the food. Rick will send out an email with details sometime after the November 9th club meeting.

It was announced that the new section of geomat just laid down is loose & has wrinkles (spelled bumps) in it. We may have to pull some staples & tighten it up next Spring if it doesn't shrink a bit over the Winter.

Steve Dorsett is getting some quotes to put up the slightly used pit fence that was donated recently by his neighbor. Our

current snow fence will be repaired for now & should be fine until next Spring.

Joe Jackson volunteered to repaint the sign at the club field again. The weather has taken a toll on it since Joe last restored it. Thank you Joe!

It was announced that the shelter at the club field is also in need of attention. A work day will be organized for next Spring to repaint & repair it.

Randy Byers reported that there have been no new nominations for the November 9th club officer elections. The executive committee (Mark, Rick, & Tim 3) decided to nominate Steve (Stick Man) Dorsett as Vice President & Rick would retain the Treasurer position. Tim 3 Porter agreed to continue as Secretary & Mark grumbled a bit but agreed to carry on as club President for another term. Please thank them for their service!

After many many years of club dues staying the same, the current economic climate & the past couple of years with problems from the plague have caused club officials to suggest raising club dues by \$25.00 for 2023. This is your official notice that a vote on the matter will be taken at the November 9th club meeting.

Randy Byers is trying to recruit Singer Hobbies in Martinsville as a new club sponsor & says that they are offering MCRCC members a 7% discount. Thanks Randy!

Clint Seyer, current holder of the coveted "Dork Award" was not at the club meeting & there were no other nominations for a new recipient. Nobody wanted to throw Ted Backs under the bus for landing in a tree at Nebo so send your suggestions for the next holder of the award to Clint or bring them to the November 9th club meeting.

Interesting Bits...

Not many pilots came out to the Nebo Fall Festival Fly-In on October 8th. It was pretty frosty early that morning but got quite nice in the afternoon. Thanks to those that participated & to Steve Dorsett for grilling lunch for us.

Yikai's girlfriend asked him to bring home something from Mexico for dinner one Thursday evening. He thought a sampler might be a good idea & went whole hog. The photo came from Les Mobley.

President Mark Sexton said the club shirts & hats came in. The prices are not set in stone but are engraved on cardboard. Picture by Mark.

Les Mobley sent this picture of the flag folding ceremony we have with Angela at the Paragon School on Friday evenings after we get done flying. That's me holding for Angela &

Charlie Ritter holding the state flag & supervising the operation.

The last picture is of Yikai's B-17 at the Nebo Fly-In. He had to leave early & didn't make the group photo.

This is the last installment I have (so far) of the Recipe Round-up collected & put together by Barb Hill. Thank you Barb for preparing the installments & thanks to Lou Ann Thompson, Karen Ruggles, & Barb for sharing with us! If you have a recipe you would like to share, send it to Barb at hillb@indiana.edu.
