

Supporting Model Aviation and the Community

Monroe County R/C Club

An Academy of Model Aeronautics Chartered Club Since 1970

P.O. Box 484, Bloomington, IN 47402

www.monroecountyrclub.org

The *Monroe County Radio Control Club (MCRCC)* is a not-for-profit organization dedicated to the enjoyment, education, and promotion of the radio-controlled model aircraft sport/hobby. The MCRCC is a chartered member of the Academy of the Model Aeronautics.

Our monthly business meetings are held on the second Wednesday of each month at 7:00 p.m., at Clariti Advanced Vision Correction, 481 S. Landmark Ave., Bloomington, Indiana. During the summer months, June thru September (weather permitting), our meetings are held at the club flying site on Wylie Road.

We lease several acres north of Bloomington, Indiana, where we maintain a grass runway, a pit area, an open shelter, ample parking, and a rented port-o-jon. This flying site is located north of Bloomington off of Interstate Highway 69. Take Exit 125 and head east on Sample Road, turn south on North Way Port Road. Turn east at the first road to the east, Wylie Road. The flying site is about one mile.

Our club currently has approximately sixty-five members. The flying site is used year-round by members and guests. Other pilots and spectators from around the state and elsewhere visit our site to enjoy several events during the year. This helps us to promote our sport and to raise money to support local charities.

We offer free R/C flight instruction by qualified club MCRCC Intro-Pilot Instructors to our club members. In addition, Instructors are authorized to help non-club members with up to three (3) free flight instructions to get you started before you become a member:

*Brian Elliott 765-346-1123 *Matt Fornefeld 812-333-6702 * Lane Jorgensen 812-876-9145
*Mark Sexton 812-714-8136 * Tim Sparks 812-988-2377 * Tim Mellott 812-821-6137
*Steve Dorsett 765-346-8945 * Clint Seyer 812-650-4467 * Bob Shireman 765-341-4336

We also offer advertising for local businesses and corporate sponsors. For \$100.00 annually, your business receives advertising on our shelter, in our monthly newsletter, and on our Internet website.

We invite you to visit our flying site, ask questions, and possibly fly an aircraft with one of our instructors on the "buddy box" system.

Perhaps we can show you how to become an R/C pilot and convince you to join our club!

More information about our club is available online at <http://www.monroecountyrclub.org>

To be a member of Monroe County R/C Club you must be a member of the AMA (Academy of Model Aeronautics).
