### Interesting Bits...

The "Charlie Built" fly-in scheduled for June 14th at Nebo Memorial Field was cancelled via email due to the weather forecast. No new date has been announced.

The club fun-fly took place as rescheduled on June 28th. I got some pictures from Tim Mellott. I'll put a couple here & Rick can put them all on the club website. Dave Poland sent out a report via email to the club list on 6/28 so I won't duplicate it here. I guess you will have to attend the July 9th club meeting to get a full report. Thanks to all that participated!

Dave Poland listed the following airplane for sale.  
 Check it out!

1/3 scale (96") Davis Acro Pro, built from plans by Dan Winship and Dave Poland.

3W 70b2 gas engine, 70 cc twin cyl.

It's all there, less receiver and batteries, one servo.

No damage, just dusty.

I don't want much, what ever the engine ebay's for.

Any one interested?

motor.

I soloed a Cessna 150 at Monroe County Airport in June 1974 and I was recently awarded the Wright Brothers Master Pilot award given to pilots with over 50 years of accident/incident free flying.

Kathy (Mrs. Tim 1) and Tim Sparks.

There will be an airport day at the Monroe County airport September 5-6 and I will have the BT-13 there offering rides in the airplane. I sometimes fly through BMG and can give you a ride on my way to or from another event. Rumor has it I might be doing the National Anthem flyover at the football game. Contact me for more details.

Everybody still wants to call the event scheduled for July 26th "airport awareness day".

You can "reply" to an email or "reply to all". Both may not be appropriate to all but what about the 4 page text???

Tim Sparks (Tim 1) sent me the following information right after last month's newsletter went out.  
Thanks for the pictures Tim!

I was second place at the first Pylon race in Muncie it was very

windy and cold!  
Mark Zeal was my caller.

At Cincinnati, Team Prowler was back with Clint Seyer placing third in Electric formula one after he installed a new
