Field, witnessed by Randy Byers.

Interesting Bits...

I haven't heard anything yet but if there's going to be a club swap meet in 2026, we should probably at least post the date.

I heard there was an equipment problem that kept the grass from getting cut at Nebo Field but the problem has been

taken care of & all is well now.

Tim 1 & Tim 3 flew the Commemorative Air Force's full scale BT-13 over the club field on August 16th during the Cub Fly with the smoke on. They were pretty high & the sky was pretty gray but it was still cool.

Pictures this month are from the Les Mobley collection. Including the MCRCC R/C Public Awareness Day, the "Nothin But Cubs" Fly-In, & Yikai Yan with Les's grandson Gabriel at Ne-bo on June 26th. Thanks Les!
